More than just great products – me+ brings you the tools and advice to help you make life with an ostomy completely your own.

At first, living with an ostomy can feel as if your whole world is going to change. It's normal to have many feelings and questions. But you're not alone. With **me+**, we completely surround you with the support, inspiration, insights and ideas that you need to live with an ostomy in your own way. Because we believe you are defined by your interests, your hobbies, your friends and all the things that make you unique — not your ostomy. And we're here to help you get back to doing all the things that make you, you.

Enroll in **me+** today. E-mail CIC@convatec.com or call 1-800-422-8811 (M-F, 8:30 AM-7:00 PM EST) for support in whatever language you need.

Your me+ Starter Kit

Your me+ Starter Kit gives you the products, guidance and advice you need – when you need it most.

When you get the right support, you feel stronger, confident — and ready for what's ahead. That's why **me+ care** is so much more than just a package of ostomy products and accessories. It's a comprehensive kit that's customized to you to help you get comfortable with your ostomy in the weeks ahead.

Your **me+** Starter Kit comes in a discreet package that includes pouches and adhesives, plus detailed instructions on how to change your pouch. It also gives you tools and resources to help you manage your stoma, without it changing the way you want to live. But most of all, it gives you direct access to compassionate, highly trained specialists when you have questions or need advice. In the first few weeks after surgery, a specialist will reach out to offer support you can depend on — right from the start and whenever you need it in the future.

Call us at 1-800-422-8811 (M-F, 8:30 AM-7:00 PM EST) or e-mail CIC@convatec.com.

We surround you with support for every part of your ostomy care.

Getting used to living with an ostomy takes time — sometimes it's hard to know where to start. With **me+ support**, we know you'll have questions so we're here to address them all in the weeks ahead. The care you need is just a phone call away.

Your me+ support team.

Our expert team of **product specialists** can help you figure out which products are right for you. They'll make sure you are caring for your stoma correctly. They'll send you free samples and help you navigate insurance coverage and Medicare reimbursement. And they'll connect you with one of our Pre-Approved Suppliers so the products you need get delivered right to your home.

When it comes to clinical issues with your stoma, our product specialists can put you in direct contact with our compassionate, certified **ostomy nurses**. They're here to listen and answer questions you have as you adjust to living with an ostomy. They can teach you how to care for the skin around your stoma and change your pouch, plus help you cope with tricky lifestyle issues and anything else that may come up.

"Whenever I call the ostomy nurses, they always take the time to help me and to find the products that fit my life."

community

From exercising to simply meeting up with your friends – others with ostomies can help you get where you want to go.

Sometimes the best advice comes from someone who has already been where you are now. **me+ community** brings you Great Comebacks — a program ConvaTec has supported for over 30 years that celebrates inspiring people who are constantly reinventing what it means to live with an ostomy.

Great Comebacks connects you with people who have been right where you are now. In many cases, they've felt the same insecurities, struggled with the same emotions, and overcome the same hurdles. It's a place to share and hear stories from people who refuse to let their ostomy hold them back.

An entire community is waiting for you online. Visit www.convatec.com/ostomy to find out more.

Reach out whenever you need insights, ideas, or just someone to listen.

At **me+**, we're committed to helping you live with an ostomy in a way that works for you. It's why we do what we do. We're here to help in any way we can.

We're looking forward to hearing from you.

Enrolling in **me+** is fast, easy and absolutely free. And the sooner you call, the sooner you can start getting all the benefits. Call us at 1-800-422-8811 (M-F, 8:30am – 7pm EST) or visit www.convatec.com/ostomy
